

Fatale Deluxe Edition Volume 1

Its a full-bodied blend of noir and Lovecraftian horror... - New York Times
The best-selling, award-winning team of Ed Brubaker and Sean Phillips finally bring their hit book Fatale to the gorgeous Deluxe format they helped pioneer. Josephine is cursed, and in a series that darkly blends American crime noir with unnamed Lovecraftian horrors, we follow her from 1950s San Francisco, where crooked cops hide deeper evils, to mid-70s L.A., where burnt-out actors and ex-cult groupies are caught in a web around a satanic snuff film...and in the middle of it all is Josephine, with a power to die or kill for!
This beautiful, oversized edition contains all the extras that Brubaker and Phillips fans have come to expect from their deluxe hardbacks, including behind-the-scenes art and stories, sketches and layouts, back-page illustrations, and several of Jess Nevins historical essays, as well.
