

The Priests Brat: A Fertile First Time

The Lord put you on this earth to tempt men, Amy. And he gave you all the assets one could ever need to do it. Amy has naughty thoughts about the man of the house, who is also the priest at her church. She knows it's wrong, but she can't help but fantasize about him taking her innocence. But when he pulls her into his lap and tells her about how sinful her body is, and how she's a temptress who should just give in to, she's lost to her desires. She wants him to take her untouched body, with nothing between them. Even if it is risky and forbidden.
