

His Pregnant Patient (Bareback Fertile Doctor Erotica) (Bareback Medical Exam Erotica)

Kate has a problem. And the problem is that there's nothing wrong with her: she's young, and healthy, and strong. Her nation is off to war, and she's going to be drafted...but she doesn't want to go. The handsome, sympathetic doctor giving her physical exam understands her problem. And he wants to help. After all, there is one way Kate can avoid going off to war. She just has to get pregnant. And that's a task which her doctor is eager to perform. Dr. Rawlings is aroused and enticed by the thought of claiming and impregnating his attractive young patient.
