

The Collected Works of Creampie Eater Volume 27

This volume in the series features four stories featuring forms of dominance and submission. There are three strap-on stories, but first a ponygirl tale: Creampie Pony The owner of a new ponygirl visits the stables to see how his filly is progressing in her training. Better and worse than expected, it turns out. Lesbian Strap-On Best friends go all the way with each other to satisfy one of their kinky husbands, but mostly to satisfy each other. Jotas Slut Slave When he puts on the SLUT SLAVE bracelet, he knows he must do whatever he can to satisfy his lover. Strap-On Student A mans owner uses him to demonstrate the art of proper strap-on sodomy to a eager and ruthless student. The common theme between these stories is power-exchange, a form of sex play as old as the ages but hugely popular via recent blockbuster novels. While the stories here are far more graphic than those mainstream hits, they are also more varied in tone. They are, in short, erotica. Enjoy!
