

## The Wolves and the Hunters (Gay Erotic Thriller)

Dex was shot. In his wolf form, the young werewolf could not hope to escape his attackers, especially while he was wounded. He ran until he couldn't go anymore. He figured it would be the end. That is, until Trent showed up. The older werewolf came to save the younger and give the young wolfing a chance to heal himself. Will the older werewolf be able to save the younger wolfing? If he does, is there any way the young male can resist the handsome hero who bravely risked his life for him?
