Unexpected, thick and throbbing satisfaction! Anna is a young, attractive, lower-class girl... who just happens to spend most of her time fantasizing about the older, handsome noblemen of the town. The gents that she doesn't have a chance of ever marrying -- what would they ever see in a youthful dreamer like her, with nothing to offer? Or so she thought... But one day, while delivering a parcel to one of the fancy shops... she unknowingly stumbles into the sexiest lord in town -- and it just so happens that his lusty gaze sees something worth having in the inexperienced lass. The question becomes, will the untouched damsel truly enjoy the wanton acts of debauchery that she has always dreamed about? Anna will soon discover that the mature lord has a sizable package of his own for her to handle... This brief story is one of naughty romps and bodice-ripping excitement! Expect nothing less...
