

Film Posters of the 70s: Essential Movies of the Decade

The iconic film posters of the 70s. The 70s gave the world Star Wars, Grease, The Godfather, Mad Max, Alien, Taxi Driver, Texas Chainsaw Massacure, Halloween, Rocky and a very blood thirsty shark who changed human perception of sharks for decades to come named Jaws. These films along with other greats fill this book. Roger Moore also took over from Connery as James Bond and Clint Eastwood made a heap of Westerns. Find them here as well.
