

Fantasy Four Pack

This 40,000+ word book contains four of the hottest novellas to hit the Erotica bestseller list in 2013. If something goes bump in the night, you can be certain that you'll find it contained inside the pages of this special bundle. Please note: If you have previously purchased all of these titles separately, you do not need to buy this book.

The Minotaurs Possession
Desperate to free her mother and sisters from debt slavery, young Miranda journeys alone to seek the aid of a distant relative to the West. However, her ignorance of the surest path through the Forest of Karthmere soon leads her into the clutches of the reclusive Minotaur Tribe of Hodrigger. Soon after arriving, Miranda is offered an opportunity to wipe away the debt that holds her family in bondage. But the price she has to pay will change her life - forever. The decision is squarely in her hands. Would it be freedom for her family at the expense of her own? Or would her family be left to perish in bondage so that she live her life as she thought best?

The Ape Men Cumeth
Research students Cara and Missy have just been given the opportunity of a lifetime - to study the rare Adebowale primates. However, the pair soon encounters another group of creatures deep within the jungle that has ideas of its own... In the darkest reaches of the Ntombi bush lurks a yet undiscovered group of ape-like primitives in search of nubile human females. Without warning, the young women are captured and taken to their village. Once there, they learn that the creatures must utilize their bodies to repopulate their group or face certain extinction.

Dark Elfs Bargain
Lifelong friends Lacey and Vanessa are on a girls only getaway to the lush Scottish Highlands. But, after wandering off on a hike to see the ancient druid ruins of Myrin, the nubile young women find themselves running out of daylight fast. Unfortunately, fading light is the least of

the sexy duos problems... Everyone knew the legend but no one thought it was true - there were no such things as Elves. Little did they realize that Myrin was still very much in use and for a purpose they could never have imagined. Theyre quickly captured and subjected to deviant, pleasure-filled rituals the likes of which they could never dreamed they would witness. Beast Breeder - Mating and Domination of the Virgin Virgin Willow Keegsmans weekend getaway suddenly turns sexually chaotic and depraved when she finds herself surrounded by a tribe of Bigfoot. Hopeless, helpless and without any means of freeing herself, Willow instead decides that the only way to please them is to comply with their foul demands.

However, after being taken by the leader of the legendary tribe in unspeakable ways, the previously untainted Willow discovers pleasure in her virginal ruin. But, just as she feels bound and compelled to satisfy the monsters, she falls into the clutches of a rival tribe of brutes from the North - the Choanito (or Sasquatch). To her shock, Willow discovers that the ancient past compels her to service them all. Beast Breeder 2 - Whore for the Tribe In the clutches of her new captors, the recently deflowered Willow finds herself in the Sasquatch village where she is to be bred by the entire tribe of savage wood beasts. After submitting to Chulash, the tribes alpha male, she is commanded to satisfy multiple group members - simultaneously. But, even though the thought of being taken by several sex-crazed monsters at once seems at first unthinkable, she soon discovers that her lust to please them all is overwhelming. All participants in these titles are 18 years of age or older.
