

Fire Angel (Highland Legends) (Volume 3)

Spurned by the man she wants to marry, Skye MacLean runs farther from home than she ever anticipated. A near death experience sends her to meet the Archangel Gabriel, or so it seems. Is she in heaven, or has some wrinkle in time sent her into the future as her savior claims? She doesn't know and when her angel follows her back to her own time, it only confounds the issue more.
