

Pastel Step by Step: Master the basic skills and special techniques of painting in pastel (Artists Library)

Explore the colorful art of painting in pastel with this compelling how-to guide. Pastel Step by Step provides all the information beginning artists will need to start working with hard pastel, soft pastel, and pastel pencil to create realistic, expressive works of art. The book begins with basic information on composition, color theory, value, and special techniques, such as scumbling, glazing, and cross-hatching. Then experienced artist Marla Baggetta guides you through 12 colorful and compelling pastel painting projects, step by step. And along the way, you will find plenty of practical tips and useful advice for creating your own impressive works of art in pastel.
