

Forbidden Blood (A Vampire Romance Novel)

New York Times and USA Today Best-selling paranormal romance author Felicity Heaton presents *Forbidden Blood*. In a dark world where vampires exist and where Source Blood, a rare human blood type, can bestow godlike powers upon them, the vampire Venators of the Sovereignty fight to protect the humans by banishing those who drink it to the endless dark. Exiled from his family and with only his duty to sustain him, Kern has been on the trail of an elusive Source Blood abuser for three years. When he saves a beautiful human female from the vampires grasp, it turns out she's the lead he's been waiting for. Amber is a Source Blood and the perfect bait, but for who? As they race to catch the vampire and survive the cruel games he plays, Amber is pulled deeper into Kern's world and discovers the painful secrets he hides behind his handsome but emotionless exterior. Hurt that she has the power to heal if she is brave enough. *Forbidden Blood* is a dark, sensual tale of betrayal, revenge and a love that knows no bounds.
