

Four on One: Taken by Billionaires

Ellen is a flight attendant who works her butt off for crap pay. But when she meets Benedict Beaumont, a dark and striking billionaire playboy, he wants Ellen as his private flight attendant. Benedict invites Ellen to his insanely expensive private airplane suite, and it's full of three more smoking hot billionaires. Stefan is young and loves to use his tongue, Tristan is hard and ex-military, and Logan is a strong older guy who is huge and thick in all the right places. Benedict offers Ellen a full-time job on his private jet, but if she wants to work for him, she'll have to do everything he says. No questions asked. Benedict and his gang of gorgeous billionaires want to take Ellen hard and fast at 40,000 feet, and these billionaires are too busy to pay any attention to Ellen's safety demonstration, so there's no protection on this flight.
