

One More Kiss (Affair Without End) (Volume 2)

Amazon Top 100 Bestseller Erotica/Humorous List I never intended to become a famous mans lover. I know damn well Jack never intended that for me. And somehow thats what I became. ~ Linda Cray Im the kind of man who knows when hes met forever. Linda leaving today wont make a difference about anything. ~Jackson Parker Linda never expected a chance encounter with a drunken man on the beach to change her life forever. But then, Linda had never met a man like Jackson Parker. He is the kind of man a foolish groupie falls in love with. The total rock star package: handsome, charming, intelligent, brilliant, and nice. The most dangerous kind of encounter. The kind where you wake up one morning completely delusional and lying to yourself that there might be a way to keep him. The smart play on all accounts was for Linda to let go of Jack after a three week whirl-wind affair rather than to try to hold onto a man who, in all ways, was beyond her reach. But walking out of Jacks life ended nothing. Struggling to build her own life, and unable to resist the temptation of the mercurial Jack, Linda is swept away by an affair without end. ***18+ Mature Readers Only Please***
