

## Airbrush Step by Step - Cover RX7 (ArteKaos Airbrush - Airbrush Steps Vol. 1) (Italian Edition)

MAZDA RX7 - AIRBRUSH STEPS Gli Step by Step di Aerografia, sono a mio avviso la maniera più semplice, efficace ed economica per poter iniziare da subito a disegnare, a casa propria e senza spendere cifre esorbitanti in corsi specifici. Questi fascicoli, redatti in oltre 15 anni di esperienza, sono correlati di immagini e spiegazioni appunto passo per passo, consentendo a chiunque di cimentarsi in questa disciplina pittorica e di capire le varie fasi di lavorazione. Possono essere in formato digitale o cartaceo ed in entrambi i casi, sono in grado di far ottenere risultati, anche a chi e agli inizi. Ottenere risultati soddisfacenti in Aerografia è indispensabile; solo così è possibile trovare gli stimoli e l'entusiasmo necessari a continuare a disegnare utilizzando laeropenna. Il resto lo fa l'esperienza ed il tempo che si dedica a disegnare; più tempo, più disegni, più risultati.
