A Man of Vision By Kate Willoughby For Cristoforo, sculpting marble is his life, but the price of creation is a libido that rides him like a demon. When he discovers his sculpting days are numbered, he hires a mistress to satisfy him night and day. Modern-day courtesan Delphine arrives at Cristoforo's villa prepared for the rigors of being on call 24/7. What she isn't prepared for, however, is the intensity of her body's response to Cristoforo. When she learns what is driving him so ruthlessly, she wonders if she can protect her heart...or if it's already too late. I Was an Aliens Love Slave By Charlene Teglia Micki Sloane needs a hero and she needs him now. She's got a deadline, writer's block and no inspiration. What to do? Wish on a star. Keelan Ostana has been seeking his bondmate, the one woman who is on his wavelength literally. He answers Micki's mental call by beaming her up into erotic adventure beyond her wildest imaginings. Her options? Form the permanent telepathic bond with Keelan or go home and write for the tabloids. I Was an Aliens Love Slave is a sure seller, but Keelan tempts her to live the fantasy instead. On Her Back By Renee Luke Simone Harris is experienced when it comes to loss most recently, that of her brother Jerold. But when his best friend Elijah, wounded in the same fray that killed Jerold, returns home, Simone tries to put her pain aside and offer him her support. She wants to give him anything and everything he needs. Elijah Russell survived every night he spent in the desert and, later, in the hospital by invoking fantasies of Simone. On her back. Beneath him. Now, just being near her again is enough to make him forget his pain for a moment. But his heated emotions seem to be mutual, and soon those fantasies might become a reality. Simone and Elijah both need time to heal, but it's a lot easier to wait together. Panthers Pleasure By Cathryn Fox Sash has spent her life
