

Stereoless in Seattle: Why I Tried to Unionize Car Stereo Installers And Failed

The car stereo industry in many consumers minds, ranks up there just above the used car business. But should it? Stereoless in Seattle: Why I Tried to Unionize Car Stereo Installers and Failed takes a light-hearted look at the car stereo industry through the eyes of someone who lived it for the better part of 25 years. It is a revealing, humorous and sometimes shocking perspective on the car stereo business as well as a foreshadowing testament to the future of skilled labor in America. Anyone who has ever worked for a living will find something they can appreciate in this book!
