Genre: Multicultural Paranormal
Suspense Series: The Essence of Life;
Previous Book: Sugar and Spice
Forrest Jankowski is the oldest child in a family with paranormal abilities. After quitting his last gig as a fortune-teller he takes a job in his sisters health food cafe. Unfortunately this incurs the wrath of his sisters only other employee, Josie Weston. The little spitfire believes hes more of a hindrance than a help. But when he has a vision of Josie in trouble, he needs to convince her that his powers arent just an act. Josie has a five year plan, but her business dreams seem all but doomed now that Forrest is in the mix. The annoying man obstructs her at every turn, driving her crazy with his strange ways. He reads tarot cards and thinks he can see into the future. Her attraction to the handsome man only makes his presence all the more maddening. When she begins to suspect his vision may have a basis in reality, she realizes her life might very well be in danger. Only when the two discover the depths of their feelings for one another will they know their love was truly in the cards after all.
