

Naked Fun at Work

Kacie doesn't know what she wants to do with her life. Nothing seems to make her happy. When her uncle offers her a job working in his clothing store, she takes it. She thinks it's just another job, until a customer, Vanessa, walks in and asks for some help trying on some clothes. At first, Kacie feels awkward staring at this girl's naked body, but soon the awkwardness turns to lust. What she doesn't realize is that Vanessa has been trying to seduce her. Will Kacie finally find the happiness she's been missing in her life? This story contains sexual situations involving characters over the age of 18.
