

Gender Mainstreaming in Finance: A Reference Manual for Governments and Other Stakeholders (Gender Management System Series)

Addresses both concepts and practical steps for mainstreaming gender in the policies, plans and programs of Ministries of Finance. Includes detailed discussion of changes in the role and influence of Finance Ministries over the last two decades. Explores how to mainstream gender in the work of Finance Ministries including macroeconomic management, and structural reforms. Offers tools for engendering national budgets, recommendations for promoting attitudinal change, and concrete case studies.
