

## Gender Swap Lollipop 4 - The Mix Up (Gender Transformation, Sex Change Stories)

During his latest experiment, Dr. Howard Jenkins, a research scientist at Sissco Pharmaceuticals, commits a few careless blunders. Those innocent mistakes lead him to the accidental discovery of MetaboFem, the powerful concoction responsible for the transformation of ordinary men into willing, cum-hungry, sissified sluts. Hes going to have his hands full once the changes kick in and he finds out how strong the raw, uncut formula really is! Find out the origin of everyones favorite gender-bending lollipop treat in the fourth volume of the series! Warning: This 10,000 word story contains scenes of male to female gender-bending transformation, hardcore explicit sex, bareback sex, light BDSM and rough sex, and situations only intended for adults!
