

## Devils Cub

Devils Cub is one of Georgette Heyers most famous and memorable novels, featuring a dashing and wild young nobleman and the gently bred young lady in whom he finally meets his match. Like father, like son Dominic Alistair, Marquis of Vidal and fiery son of the notorious Duke of Avon, has established a rakish reputation that rivals his fathers, living a life of excess and indulgence. Banished to the Continent after wounding his opponent in a duel, Vidal schemes to abduct the silly aristocrat bent on seducing him into marriage and make her his mistress instead. In his rush, however, he seems to have taken the wrong woman. A young lady of remarkable fortitude Determined to save her sister from ruin, virtuous Mary Challoner intercepts the Marquiss advances and throws herself into his path, hoping Vidal will release her upon realizing his error. But as the two become irrevocably entangled, Marys reputation and future lie in the hands of a devilish rake, who finds her more fascinating every day.
