

Disneys Animation Magic: A Behind-The-Scenes Look at How an Animated Film Is Made

Disneys Animation Magic by Disney film producer and animation authority Don Hahn is considered a classic in the field of animation. By drawing upon many of Disneys beloved animated films, the book give a brief history of animation and then goes on to explore the role of the directors, story artists, songwriters, and animators who each play an integral role in the creation of an animated feature. Now this staple of every Disney enthusiasts library has been updates to include fresh behind-the-scenes artwork from the most recent Disney films, such as Tarzan, Mulan, Dinosaur and Toy Story 2.
