

## Managing Text Messaging

With the increase in the use of cell phones today, communication has become faster. The telegram of yester-years has given way to text message. Text messaging is all about dropping unnecessary letter and using symbols to replace entire words. They are also known as text express shortcuts. This book provides tips for easy messaging and contains a compilation of acronyms which are used instead of whole phrases, using just the first letter of each word. The book is an interesting guide to those who would lime to convey jokes, one-liners, riddles, through text messaging. Shuchita Ghai is a graduate from Delhi University. She developed a keen interest in the art of text messaging and soon became an expert in this.
