

A Baby For The Alpha Billionaire Wolf-Shifter Stepbrother (I Didnt Know I Had) (Surreal Sisters Book 8)

Everything changes once this half-breed gets the bone. Sarah Surreal wants nothing more than to be able to shift, join a pack, and have cubs, but as a half-breed shes out of luck. That is, until her sister Sasha says she had a spell to make all of Sarahs dreams come true. So what if the spell involves dancing almost naked inside a fairy ring, at midnight, in the light of a full moon, waiting on one hot, stikki, secret ingredient? Its just another night for the Surreal Sisters. The Surreal Sisters are a family hopelessly tangled up in paranormal mischief. All the Surreal Sisters stories can be read as standalones. No need to read them in order- but it might be fun.
