SPECIAL PRE-ORDER PRICE! GET IT FOR ONLY 99 CENTS BEFORE THE PRICE GOES UP! Natasha Carson doesn't believe in fairytale endings. And she doesn't want a Prince Charming. She had that with Christopher and look where that got her. Suffocating. Tolerating a respectable teaching position she never loved and lying to everyone about her true passion: writing smut. So Natasha does the only thing she can. She leaves it all behind. The perfect boyfriend. The great job. New York City. Even the gorgeous grad student, Adam LaRue, who tempted her with sexual ecstasy and promises of making her every desire a reality. As she explores the sex clubs of Berlin's kinky underbelly, Natasha can't help but wonder if she made a mistake. But when a chance encounter brings Adam into her life, she's forced to confront her true feelings and deepest fears. With only a few days together, Natasha must make a choice: run away or relinquish control.
