

CALL HIM GRANDDAD: TABOO FANTASIES

Young Jessica finds an old man seated in a park one night and jokingly refers to him as Granddad. Before long the old man is awakening fantasies that had died along with her real grandfather, and in the space of just days, their games are getting more and more intense. From timidly caressing him through his trousers, their games progress to openly masturbating in front of him, sharing water-sports, spanking and full intercourse. How will her growing infatuation with the old man end?
