

Dont Try Coloring Your Hair Without This Book!: An illuminating guide through the confusion of the hair color aisle.

This simple book takes the mystery and myth out of home hair coloring. The choices of home hair color products has never been greater and so is the resulting confusion over which of these many products to try. After all, you only have one head! This do-it-yourself guide prepares you, the home hair colorist, with vital knowledge for selecting the best colors for you, while supplying valuable tips and tricks for achieving salon quality hair color at home.
