

## Monsters Made Me Gay: Drop Bear Group Encounter

Landon loves adventure. A hot young college guy, hes already obsessed with making the most of his time here on earth, and expresses this by exploring every corner of it. Now Landons travels have brought him to Australia, where he will spend the next few months working on a banana farm. But something lurks in the trees high above Landon, a tribe of strange, mythical creatures known as the drop bears, who are said to drop onto unsuspecting victims below. Legend has it that these creatures are vicious and blood-thirsty but, when Landon finds himself surrounded by the gay drop bears, he quickly learns that their motivation is much more sensual than he could have ever imagined. Soon enough, Landon finds himself at the center of a hardcore drop bear gangbang! This is a 4,700+ word hardcore gay gangbang story featuring anal, double anal, rough sex, cream pies, and horny gay drop bears.
