

Their Border Lands Gift [Men of the Border Lands 5] (Siren Publishing Menage Everlasting)

[Siren Menage Everlasting: Erotic Futuristic Sci-Fi Cowboy Menage a Trois Romance, M/F/M, HEA] After the year of catastrophes, women are treated like slaves and bought and sold like cattle. When Kates brother, Mike, cant keep her safe anymore, he decides to move to the Border Lands to find her a couple of men to take care of her. Kate doesnt want a husband, much less two. When she is nearly stolen again by black market traders and her brother is seriously hurt, he gives her to Bruce and Marcus to keep her safe. Can she learn to trust them? And what about love? Bruce and Marcus are already half in love with her when they meet her. They think shes Mikes wife, though, and feel guilty about their lustful thoughts, but then Mike is injured and gives them Kate to be their woman. When a wolf attacks her, she realizes Bruce and Marcus truly love her and she has to admit her love for them. Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
