

Romance: Taken by the Bearillionaire: A BBW Paranormal Shape Shifter Romance Standalone

Taken By The Bearillionaire *** This is a STANDALONE SHORT. This short has no cliffhangers and ends in a happily ever after *** Lorelai Ms. Tanner are you awake? a familiar male voice asked. I didnt want to open my eyes. I didnt want to be dead. A swift, but gentle, hand slapped me on the face, Lorelai? I opened my eyes to the cold blue of Oliver Mathan. What is going on? What were you doing here? his cool voice asked. I was delivering the bear report, I responded. I was told to bring it as soon as I could. Didnt Vance tell you that the third Friday of the month didnt count? He didnt come by for me to ask. Naturally, he didnt have anything to stare at. I nearly fully woke up, my eyes widening to my surroundings. What is going on? He leaned in close to me, his breath smelling of clover and mint, Thats what Id like to know. I tried to free my arms, but my arms wouldnt budge. My hands were tied to the chair I sat in. I couldnt move. I couldnt escape. For all the awful jobs Id had before, I never felt so scared. You cant kidnap me. I said. I didnt see anything. You saw a man transform into a bear, did you not? I dont know. I dont know. Dont lie to me. You know whats going on. I dont know whats going on. Ive never had a boss kidnap me before. I quit, by the way. A grumpy bearillionaire falls for his secretary - A Paranormal Bear Shifter Romance with some cheeky humor -----
