

Harley Davidson: History, Meetings, New Models, Custom Bikes: History Meetings New Models Custom Bikes

Happy 100th birthday, Harley Davidson. This is a personal invitation to join in and celebrate a century of motorcycling history and legacy. From its origins to its centenary, the company's story unfolds in big, beautiful images and a mesmerizing look back at the great bikes that have won resounding fame. Peek behind the scenes to see the inner world of a business renowned for its directors enthusiasm and its employees devotion and dedication. You'll see how Harley Davidson operates, and get a glimpse of the lives of its most important personalities. Find out why these motorcycles arouse such fierce loyalty in its owners, and how they have inspired a select band of professional and amateur bike customizers. But of course the most important thing of all are the machines themselves, shown in numerous photographs--from the first black-and-gold striped model in 1903 to the newest V-Rod, with its revolutionary technology.
