

Caught (Prequel to Hawk) (Sex and Bullets)

The moment I met HAWK, I was CAUGHT. That was the night my boyfriend called me frigid in front of everyone at my favorite restaurant, and Jamie Hawk Fleming came to the rescue. Casually as you please, he proposed an arrangement: no attachments, no feelings. Only hot, awesome sex. Thats fine with me. I want to get over the humiliation my ex-boyfriend caused me, prove to myself Im not frigid, and lets be serious, who can say no to a mouthwateringly handsome young millionaire? Its surely an experience, right? Even if he doesnt want to be my boyfriend, just my fuckbuddy. Im perfectly fine with that. If only my head and my heart didnt have other ideas *** This is a prequel to HAWK (Sex and Bullets 2) - a Novella *** Mature Content for 18+ public Grab HAWK (Sex and Bullets #2) here: <http://amzn.to/1tqaZFA>
