

Hotter Than Hell

When Zanobia and her two friends Cassandra and Arianna decided to move to Miami to complete their final year of college, but they had no idea what awaited them. During a night out the girls meet three male friends who are very different. Tripp is an entrepreneur looking for his queen to live in his castle. Chad is just out looking for fun with beautiful women no strings attached. But Shawn is in search of a sex slave, someone who will submit to him and fulfill his wildest and darkest fantasies. When Zanobia sets her sites on Shawn, she is drawn to him immediately. Not having much experience with men, Zanobia thinks Shawn is her knight in shining armor until she finally sees him for who he really is. Shawn will take Zanobia on one of the most terrifying rides of her life. Will she be able to handle Shawn and find happiness with him or will his treacherous and evil ways send her running back to her hometown?
