Letting his hand fall away, he leaned in and kissed me softly. I was hungry to taste his mouth and kissed his him back passionately. He pulled away and told me to slow it down. It stung, because I knew he wanted to kiss me hard back. I could feel it. I was ready to strip down and get it on, hot and heavy and how I knew most men liked. Nels was different. He wasnt in a hurry. His plan wasnt a quick and heady fuck, and be on your way now lady. He was measured and slow, pacing his movements to always just leaving you wanting a tiny bit more.
