

# A Newbies Guide to Kindle Fire: Kindle Fire HD 8.9, Kindle for dummies, Kindle Fire HD tricks, Kindle help, Kindle HD (Minute Help Guides)

Amazon has raised the bar with their new line of Kindle HD tablets. Not content to rest on their reputation as the worlds leading purveyor of eBooks, Amazon is giving Apple a run for its money with this series of low-cost, high-performance machines. Whichever model youve chosen, youve just bought yourself an incredibly powerful handheld entertainment device that should cost a lot more than it does: the company is banking on the fact that youll be using your Kindle Fire HD to find and purchase all kinds of things from Amazon.com. If this is your first tablet experience, it can all feel a little overwhelming: the App Store, X-Ray, Kindle Prime, all of this stuff can sound like science fiction to the uninitiated. Amazon has done their best to make it as easy as possible, heavily customizing the open-source Android operating system for both ease-of-use and reliability. You might get a little confused at first, but with the help of this guide, well have you up and running like a pro within minutes. To top it off, we will show you where to get free books.
