

Never Say Die / Presumed Guilty: Never Say Die / Presumed Guilty

NEVER SAY DIETwenty years after her fathers plane crashed in the jungles of Southeast Asia, Willy Jane Maitland was finally tracking his last moves. She recognised the dangers, but her search for the truth about that fateful flight was the only thing that mattered. Closing in on the events of that night, Willy realises that she is investigating secrets that people would kill to protect. And without knowing who to trust, the truth can be far from clear cut...PRESUMED GUILTYGuilty until proven innocentMiranda Wood arrives home to a dark, cold cottage and a man, stabbed to death, lying in her bed. Miranda is the obvious suspect, and she looks even guiltier when her bail is paid by an anonymous donor.As Miranda fights to clear her name, she unearths a murky history of blackmail, corruption and scandal. As she gets closer to the truth, it becomes clear that someone else wants to kill Miranda someone with a personal reason for wanting her out of the wayGerritsen is tops in her genre. USA Today
