

Highland Intrigue - Inspirational Version (Duncurra Inspirational Book 3)

Lady Gillian MacLennans clan needs a leader, but the last person on earth she wants as their laird is Fingal Maclan. She can neither forgive nor forget that his mother killed her father, and, by doing so, created Clan MacLennans current desperate circumstances. King David knows a weak clan, without a laird, can change quickly from a simple annoyance to a dangerous liability, and he cannot ignore the turmoil. The MacLans owe him a great debt, so when he makes Fingal Maclan laird of clan MacLennan and requires that he marry Lady Gillian, Fingal is in no position to refuse. In spite of the challenge, Fingal is confident he can rebuild her clan, ease her heartache and win her affection. However, just as love awakens, the power struggle takes a deadly turn. Can he protect her from the unknown long enough to uncover the plot against them? Or will all be lost, destroying the happiness they seek in each others arms? This book was originally released as Highland Intrigue. This version contains no explicit sexual scenes. Contains mild swearing.
