

## Home for the Holidays

Home and Hearth. These are the thoughts of every soldier regardless of if he is overseas or stationed on a base in the United States. They dream of a hometown where the holidays remind them childhood on snowy star-filled nights. That is what captivates their thoughts and gets them through the long hard days until they can return to that familiar place. Merry Christmas, Baby, Dear Santa, and Toy Soldiers are three of Dahlia Rose's holiday favorites centered around the military life. In these three stories soldiers find desire, love, and the magic of the holidays waiting for them in the arms of passionate women. The journey to find peace within can be a bumpy path for a soldier, but when they find love, they never forsake it. Army, Marine, Air Force, and Navy, we love and appreciate that you took up the call to duty. To the mothers, fathers, children that you leave behind we honor your courage and strength each time your love ones leave. May each Christmas bring you joy when your love one serving in the military comes home.
