Forbidden flames burn brightest...An extraordinary, fresh new series by a must-read author...The knight Alric of Hawksmere has endured years of war and survived dozens of battles in the service of the king. A new challenge awaits him when he returns home to renew his bond with a childhood friend. Alric instead discovers she is now a spirited woman of rare beauty whose kiss makes his blood burn. But the lady Cecily de Vere has been offered in marriage to another man, and Alric's duty is to escort her to the wedding. Cecily wants to behave as a proper lady. But she yearns for her childhood flame and knows he shares the same desire. When a sudden twist of fortune puts Cecily in mortal danger, Alric takes an unimaginable risk to rescue her. Left alone in the wild, Alric and Cecily must make a choice that will change their lives forever. The debut book in The Swordcross Knights: A series of full-length historical romance novels set in the vivid and beguiling world of medieval Britannia during an age known as The Anarchy.
