

# HOROSCOPE 2015: Astrology and Numerology Horoscopes

PLEASE NOTE: You can either buy this compilation book of all the horoscopes for each sign OR you can buy the book for your individual sign here on Amazon. MONTHLY Horoscopes for each Astrological Sign of the Zodiac divided into LIFE, LOVE and CAREER. Plus a Numerology guide to 2015. I hope my yearly horoscopes will provide you with some insightful guidance during what is a very tricky time astrologically speaking with the heavy planets i.e. Pluto and Uranus at loggerheads in cardinal signs and Neptune in Pisces calling us all to get in touch with our spiritual side. As the song goes, Nobody said it was easy. I know the mass media pump-out shows us plenty about quick fix love, money, fame and success; however, life is a journey filled with challenges and obstacles designed to encourage us to find out what we are made of and who we really are. Embrace the good and bad and enjoy what is your unique experience. Be the hero in your own personal life movie and never hide your spotlight.
