

The Hotwife Tattoo

Greg knew it was going to be complicated when his brother married the wildest, sexiest, and most terrifying girl he had ever been with. The last thing he expected, however, is for his sweet and virtuous wife Sara to get along so well with her. When Sara starts changing her clothes, her habits, and even goes as far as getting a very sexy tattoo, Greg is forced to confront his own insecurities and his real desires. Will Sara be along for the ride?
