

## How to Draw Cats (Dover How to Draw)

With the help of this easy-to-follow guide, young feline fanciers will find its a snap to create portraits of their furry friends. Simple step-by-step diagrams, incorporating a variety of circular, oval, and other shapes guide young artists along the way, demonstrating how to produce likenesses of 30 different subjects. The results are recognizable, accurately rendered pictures of cats and kittens in assorted poses: seated, stretching, preening, balanced on their hind legs, ready to pounce, and other positions. In addition to domesticated cats, this delightful, entertaining guide also shows how to create a lion, bobcat, cheetah, tiger, and other denizens of the wild. These engaging sketches are not only fun to draw, theyll also help youngsters master the basics of developing shapes and proportions.
