

Teach Me: Sinful BDSM Desires

We all wear masks. Often we forget who we really are under the guise of what the world expects us to be. And then we learn the secret of the rose. No one is who they appear to be. The Knights of Gaylor Destini is an erotic romance author. She lives a double life. She teaches and molds young impressionable lives minds during the day and explores forbidden desires through her saucy tales at night. Until her best friend introduces her to a club and a mysterious man behind the mask who promises to give her a lesson of the secrets behind the rose. After a night of inexplicable passion and pain she is forced to decide who she wants to be. When Destini tries to put distance between herself and the memory of the man behind the mask she comes face to face with another hard lesson. Once a Knight of Gaylor chooses you, there is no escape for the rose.
