

Please Fix My Marriage

Are you married? Are you unhappy? It is not Gods will for you to have a bad marriage. God wants you to have a great marriage! Jesus came so we could have life to the full. And Jesus offers that to you in your marriage. Please Fix My Marriage is a short book for people in marriages where the love is ebbing or has vanished completely. Falling out of love is not an acceptable reason for divorce, yet fifty plus years in a loveless marriage would be extremely lonely and miserable. The powerful, biblical truths conveyed in this book, along with the corresponding practical tasks, will show you how you can have life to the full in Christ and how you can bring love back into your marriage.
