

How to Snare a Millionaire

We all want to be pampered, spoiled, indulged, coddled, and basically have riches lavished upon us by wealthy admirers. Unfortunately, millionaires don't fall from the sky directly onto our laps with marriage proposals. As Lisa Johnson knows, one has to work to get them. That's why she has written *How to Snare a Millionaire*, a book that provides everything one needs to know for dating and marrying a millionaire, from where to find them to how to keep them.
