

How to Use Dianetics: A Visual Guide to Dianetics

This is a set of two DVDs (and one Blu-Ray), plus two booklets. It is a complete visualization and demonstration of the book DIANETICS. Positive Thinking, self-confidence, success, good relationships depend on your state of mind. Albert Einstein already said that we are using only 10% of our mental capacity. Very true. Dianetics gives a detailed technique how to utilize a lot more of the remaining potential. By watching the two DVDs (or one Blu-Ray) one not only gets the entire theory of the subject, but also every bit of the method how to do it. See for yourself how it works. This film constitutes a visual guide to the human mind. Containing all the discoveries and procedures laid out step-by-step for total understanding, it allows you to immediately start applying the technology of Dianetics.
