

Roar Lover Roar (Book 1): BBW Shape Shifter Mail Order Bride Romance & Serving Him Paranormal Erotica Part 1 (My Shifter Lovers)

Ameera was done with boys her age. That's all they were, after all, just boys pretending to men and failing miserably. No, she needed someone stronger, wiser. Someone who could see into her soul and find how beautiful she was. Against her best friend's wishes, she decides to go on to a Mail-Order Bride site and register. At first, she was a little nervous, what kind of man would she find on a site like that? But after being flown first class to Sydney, Australia and put up in one of the finest hotels, she thought, how horrible could this guy be? Then she saw him, and knew that if this was a mistake, it was going to be the best one of her life.
