

Tied Up For A Foursome - a filthy quickie (Filthy Quickies Book 7)

A short story from the sizzling hot Filthy Quickies series. Linds always wanted to be tied up for rough sex. Now she's got two men and a woman who are willing to do it to her. They all take turns on her while she's tied to the bed and she ends up with a very sticky face. Contains explicit sex, bukkake, bondage, sex toys, cunnilingus and anal sex. This short story is roughly 3,200 words long and is not intended for readers under the age of eighteen. EXCERPT My heart was pounding. If I didn't say it now, it would never happen. I want to be tied to the bed and have you all take turns on me. I felt heat creeping into my cheeks. In spite of the discussions we'd had, I was half expecting them to be shocked. Sally spoke up and eased my fears. Let's do that. I think it would be really hot. I was hoping you'd say that. Nate brought a pair of blue scarves out of his pocket. Shall we move to the bedroom? We all got to our feet and followed him upstairs. The bed that I shared with Nate every night seemed different to me now there were four of us in the room. I reached for my shirt button, but James caught my hand and started to undress me. Out of the corner of my eye, I saw Nate and Sally kissing open-mouthed and pulling their clothes off. James slid my shirt off, then unzipped my skirt and eased it to the floor. He tugged off my panties. Reached around me to unfasten my bra and threw it across the room. Give me one of those. He took a scarf from Nate as I climbed on to the bed. James tied one wrist to the headboard, Nate tied the other. And there I was - helpless. Naked and tied to the bed.
