

Unnaturally Ever After: I Sold My Soul To A Billionaire Demon Erotic Bundle

Nora felt so plain and ordinary. She dreaded going out with her more attractive and successful friend, Abby, as she expected the night to end in disappointment with Abby getting to go home with the guy she wanted and Nora getting whatever was left over. Abby takes Nora to an exclusive club where Nora unexpectedly meets, a mysterious 34 year old billionaire self-help guru named Sam Prince. Nora is at first shocked and then elated when the handsome charming man expresses in interest in her. Soon he offers to make all of her dreams come true, but Nora doesn't realize the price she will have to pay to make her dreams come true.
