

Illuminacion (Golf for Enlightenment) (Spanish Edition)

One does not need to be a golf expert to benefit from these seven teachings. Using a method of seven golf lessons, Chopra presents an equal number of lessons for life, which will help the reader learn to live in plentitude and tranquility in a daily chaos. In this work, Chopra relates the story of Adam, a golf player that seems to be content with his life, but not with his golf technique. Adam meets a professional golfer, Wendy, who will help him improve his game and also transform his life. Description in spanish: En Iluminacion, Deepak Chopra da vida a los conceptos que ha trabajado en sus obras previas. Valiendose de un novedoso metodo que incluye siete lecciones de golf - deporte que recientemente practica el autor -, Chopra presenta igual numero de lecciones para la vida, por medio de las cuales el lector aprendera a vivir con plenitud y tranquilidad aun en medio del caos cotidiano.
